**Shawn P. DeRosa, J.D.**  
Water Safety / Lifeguarding Expert

DeRosa Aquatic Consulting is an education and training company specializing in aquatic safety and risk management. Whether you need an aquatic expert to review your pool or beach aquatic program, a lifeguarding expert to train and audit your staff, or a well-versed water safety expert to render opinions on a case involving a drowning, spinal injury or other aquatic injury, Shawn DeRosa is happy to provide high-quality services to each of his clients.

Helping educate pool/beach managers about the risks of aquatic recreation with the ultimate goal of reducing the drowning rate is one of the primary goals of DeRosa Aquatic Consulting. Specializing in customized training for lifeguards and aquatic professionals, Shawn DeRosa uses his experience as an expert witness to bring a dose of reality to all of his training programs.
